

PROFESSIONAL SALON COLLECTION

Pixie Dark Wood Salon Station

Model SKU: HZ3036 | Category: Professional Styling Station

Executive Overview

The **Pixie Professional Salon Station (Model HZ3036)** is masterfully designed to elevate the aesthetic and functional standards of modern high-end salons and beauty parlors. Combining sleek minimalist aesthetics with uncompromising daily utility, this wall-mounted workstation optimizes your floor space while delivering an immaculate luxury experience for both stylists and clientele.

Featuring high-density manufactured wood construction, integrated half-body mirror, secure storage, and integrated heat-tool holders, it represents the pinnacle of modern salon engineering.

MODEL HZ3036 • PRODUCT OVERVIEW

Key Architectural & Functional Features

Smart Space-Saving Layout

Wall-mounted architecture engineered for seamless spatial integration, perfect for both compact studios and spacious salon floors.

Advanced Thermal Holders

Equipped with three dedicated heat-resistant aluminum alloy holders for safe placement of blow dryers, straighteners, and irons.

Secure & Multi-Tier Storage

Includes open display shelving, a spacious utility drawer, a private lockable drawer for valuables, and a roomy lower cabinet.

Quiet-Close Engineering

Lower cabinet doors feature soft-closing hydraulic hinges to eliminate disruptive noises and preserve furniture integrity.
